Write the # of BFT released alive in the Live Releases Box and the # released dead in the Dead Release Box.

MARYLAND DEPARTMENT OF NATURAL RESOURCES

Upper Jaw — Tagging Location — Tail Fork — Pectoral Fin — Curved Fork Length *Measurement Description*

- **Complete a catch card for each landed bluefin tuna.**
- **Exchange the completed catch card at a reporting station for a landing tag.**
- **Please place a number in the Live Release and Dead Release box if there are any bluefin tuna releases. If there are several bluefin landed in one trip, please complete these boxes on only one card and not on every card.**
- **The bluefin tuna may be removed from a vessel or the vessel removed from the water with the fish onboard once the landing tag is affixed.**
