

PLEASE REMEMBER...

- Coastal Atlas will be launched on the DNR website in June 2010
- Coastal Atlas trainings will be offered to user groups and communities
- Future stakeholder outreach events will be announced as Maryland moves forward with ocean and offshore energy planning efforts
- If you are interested in staying involved or receiving updates, sign up at one of the comment stations or e-mail us at:
oceanplanning@dnr.state.md.us
- To provide comments or submit questions AFTER today's event, visit:
