LICENSES

(Parental permission required for all applicants under the age of 16.)

1. **RESIDENT Hunting License** -- allows you to hunt or trap all legal game birds and mammals in season without the need for additional stamps or permits except: (1) deer during bow season, (2) deer during muzzleloader season, (3) migratory game birds, and (4) furbearing mammals.

2. NONRESIDENT Hunting Licenses

(a) **Full Season** license allows nonresidents of Maryland to hunt all legal game in season except: (1) deer during bow season, (2) deer during muzzleloader season, (3) migratory game bird, and (4) furbearing mammals.

(b) **3-day Waterfowl and Small Game** license allows a nonresident to hunt all legal game in season for three consecutive legal hunting days except deer and turkey. A Migratory Game Bird Stamp must also be purchased to hunt migratory game birds.

(c) **Nonresident Trapping License** is required to trap furbearers in Maryland in addition to a nonresident hunting license and a furbearer permit.

3. A **REGULATED SHOOTING AREA License** allows the hunting of pen-reared quail, pheasants, chukar partridge, turkeys, and mallard ducks on a regulated shooting area only. This license is not required if you have a Maryland resident or nonresident hunting license.

4. **COMPLIMENTARY Licenses** are available to residents who are former prisoners of war or 100% service connected disabled veterans. They are issued to **Maryland residents only**. The applicant for a complimentary license must provide a letter of disability or a letter of certification from the Veterans Administration with their initial application. **Available only** at the DNR Service Centers listed below.

STAMPS

1. A **Bonus Antlered Deer Stamp** allows you to take one (1) additional antlered white-tailed deer for each Bonus Antlered Deer Stamp purchased within the established bag limits for a given Deer Management Region. If the bonus stamp is not used in a particular season or region, it may be used during a subsequent season or another region (if allowed) in the same hunting year. The bonus stamp must be purchased prior to pursuing a bonus deer. Refer to the *Guide to Hunting and Trapping in Maryland*.

2. **Bow stamps** and **Muzzleloader stamps** must be purchased in addition to the license to hunt deer during bow and muzzleloader seasons (respectively).

3. A Maryland **Migratory Game Bird Stamp** must be purchased in addition to a hunting license by anyone hunting waterfowl, doves, rails, coots, snipe, or woodcock.

Anyone hunting migratory game birds need only carry a license that indicates the purchase of the Maryland Migratory Game Bird Stamp. Stamp does not have to be affixed to license.

4. The Federal Duck Stamp is required for all waterfowl hunters, including those who are not required to purchase a hunting license, except those under the age of 16. The stamp must be signed in ink and possessed while hunting waterfowl or coots. Stamp does not qualify for reduced fee replacement. Stamp will be mailed under separate cover within 45 days. Printed license is proof of possession in the interim.

PERMITS

1. DNR Managed Hunt Permit

This annual permit is required to hunt DNR properties that charge for Managed Hunts. Hunters must contact the properties they wish to hunt for site-specific rules and regulations. Exemptions: persons legally hunting with a Junior license and active military not required to possess a Maryland hunting license.

2. Furbearer Permit

With certain exceptions, a person must now obtain (individually or through a group) a permit to hunt, chase or trap any furbearer (muskrat, beaver, raccoon, red or gray fox, opossum, mink, skunk, river otter, fisher, long-tailed weasel, coyote, bobcat), including persons participating in the unarmed chasing of fox and raccoons. This permit is also required for persons not required to have a hunting license (e.g. landowners hunting on their own property) and holders of senior lifetime hunting licenses.

Furbearer permits are issued to individuals (\$5) or groups (\$10). An association or group established for the purpose of chasing or hunting furbearers may secure a group permit. A group member or guest who participates in furbearer chasing or hunting with the group is not required to possess an individual permit.

3. The **Shooting Range at Myrtle Grove Wildlife Management Area** in Charles County offers an annual permit. The permit is valid August 1 through July 31. No permit is required for individuals under 18; however, they must possess a valid hunter safety certificate and be accompanied by an adult 18 or older. A \$5 daily permit is available at the shooting range only.

4. **Retriever Training Permit** - A person can obtain this permit to buy, release and shoot pen-reared quail, chukar, pheasant and mallard ducks for training dogs. The trainer, or anyone assisting in the training, shall possess a valid hunting license while training. If the birds are held for more than 48 hours, a game husbandry permit is also required (contact 410-260-8540).

The Annotated Code of Maryland requires the collection of Social Security numbers from all recreational license applicants (Natural Resources Article, Section 10-301 for hunting licenses and Section 4-205 for fishing licenses). The Department's Privacy Policy prohibits the display of your Social Security number on any documents accessible to the general public, including your hunting or fishing license.

Social Security numbers are considered sociological information (along with your address and phone number) and can only be used by the Department in carrying out its governmental functions. That information cannot be released to anyone else without your express permission.
