5-day Bay Sport License allows residents and non-residents to fish in the Chesapeake Bay and its tributaries for 5 consecutive fishing days.

CRABBING LICENSES

Crab season: April 1 to December 15

A recreational crabber may crab without a license 24-hours-a-day, 7-days-a-week from docks, piers, bridges, boats and shorelines using dip nets and any number of handlines. A waterfront property owner may set a maximum of 2 crab pots from their privately owned pier or attached to their property.

Recreational Crabbing License is required of persons catching crabs for recreational purposes in the waters of the Chesapeake Bay and its tidal tributaries using:

1. Trotline not to exceed 1,200 feet in length (baited portion)
2. 11 to 30 collapsible traps or rings; or
3. Up to 10 eel pots for catching the individual's own bait.

Recreational Crabbing Boat License allows individuals on board a vessel to catch 1 bushel of crabs for recreational purposes anywhere in the Chesapeake Bay and its tidal tributaries. To catch 2 bushels must have 1 additional recreational crab license onboard. The following limits on gear apply to the boat:

1. Trotline not to exceed 1,200 feet in length (baited portion)
2. A maximum of 30 collapsible traps or rings; or
3. Any number of handlines and dip nets.

COMPLIMENTARY LICENSES

A complimentary license is available to Maryland residents who are 100% service connected disabled veterans or former prisoners of war. The license incorporates both the non-tidal angler's license and the Chesapeake Bay sport fishing license. It does not, however, include the trout stamp. Applicant must furnish a letter of disability or a letter of certification from the Veterans Administration with their initial application.

Complimentary tidal and non-tidal licenses are also available to residents and non-residents who are blind.

REPLACEMENT LICENSES

Fishing and crabbing licenses and trout stamps can be replaced at a reduced fee only at a DNR Service Center (in person or by mail)
