

# Transform Your School Into a Green School!

M·A·E·O·E

The Maryland Association for Environmental & Outdoor Education

## **What:** Maryland Green Schools Course Professional Development from CBF and MAEOE

Get your feet wet paddling, hiking, fishing, sampling water quality, and visiting people and places that connect your school community with the Chesapeake Bay. This course will focus on watershed issues in conjunction with the Maryland Green Schools requirements. Participants will visit with US Fish & Wildlife, CBF, and MAEOE experts during this 5-day course, which fulfills the Maryland Green Schools professional development criteria. Staff will provide advice and guidance as participants walk through their personal Green Schools plan. The Chesapeake Bay Foundation, supported by the National Oceanic and Atmospheric Administration (NOAA) and the National Geographic Society, appreciates their partner for this trip, the Maryland Association for Environmental and Outdoor Education.
